Appendix I

RULES IN RELATION TO THE APPOINTMENT, REMOVAL AND RETIREMENT OF DIRECTORS

The following Rules supplement provisions in Britannia's Articles that set out the requirements for Directors to be eligible for appointment and for their retirement by way of rotation. Although the Rules do not form part of the Articles, the Board and its sub-committees are expected to observe and respect them.

A. Appointment of New Directors

1. A Director, the Managers and the Members' Representative Committee ("the Committee") shall be entitled to recommend the appointment of a new Director.
2. Prospective Directors (other than "expert Directors") should have a broad understanding of insurance and the insurance and maritime industries. An understanding of P&I insurance would be an advantage. Consideration should also be given to his/her seniority within their own company, their ability to make independent decisions and their potential contribution to decision-making at Board meetings. Their command of English should be sufficient to enable them to take a full part in all Board discussions.
3. Expert Directors may be chosen with regard to their expertise in specific areas of business which would be of benefit to the Board and to Britannia (e.g. insurance, investments, regulatory and/or corporate governance).
4. The Board's Nomination Sub-Committee ("the Sub-Committee"), comprising the Sub-Committee's Chairman and Deputy Chairman, the Chairman of Britannia's Board, a further non-executive Director of the Board and (ex officio) the Chairman and Chief Executive Officer of TRB will review any nominations of prospective Directors. The Managers and, if possible, the Chairman (or another member of the Sub-Committee) should meet the candidate before they are put forward for election.
5. The Managers shall provide new Directors with full details regarding the structure and operations of Britannia, the respective responsibilities of the Board and the Managers, its sub-committees and regulatory framework, together with their legal and regulatory obligations as Directors of Britannia. The Managers should also ensure that prospective Directors are aware of the basis on which they will be remunerated.

B. Re-election and Retirement of Directors

1. The Sub-Committee shall, each year, review and where necessary make recommendations regarding the re-election of Directors retiring by way of rotation. This may involve a recommendation that a Director is not re-elected.
2. Although non-executive Directors are appointed as individuals, unless the circumstances set out in B3 below apply (or they are the Chairman, Deputy Chairman, an Expert Director or a Manager Director), they should have a close connection with a Member of Britannia. If the relationship between a Director and the Member changes, or the Member ceases to be a Member of Britannia, the Director will be expected to resign as a Director. If, however, in the opinion of the Sub-Committee, their services as a Director of Britannia continue to warrant it, they may continue as a Director until the end of their elected term.

At that time, they should not stand for re-election unless the Sub-Committee endorses re-election for another term.

3. A Director may be appointed to the Board, or invited to continue as a Director, for reasons other than a connection with a Member of Britannia. In such circumstances, the Director should be elected for a specific term and specific reasons and if such specific reasons cease to apply, he/she should resign. The Sub-Committee should monitor the situation and report to the Board as appropriate.
4. Directors should attend as many Board meetings as possible. They should in any event attend or participate in at least four out of the five Board Meetings per annum. Failure to attend or participate in at least four out of the five meetings per annum will result in a recommendation to the Board that the Director is removed or not re-elected.

C. Appointment of Chairman, Deputy Chairman and Expert Directors

The Nomination Sub-Committee will be responsible for making a recommendation to the Board regarding the appointment or re-appointment of the Board's Chairman, Deputy Chairman and any Expert Director after consulting the Committee.

D. Conflicts of Interest

1. Directors employed by a Member, or otherwise connected with a Member, will inevitably have potential conflicts between the interests of Britannia and those of the Member concerned. In fulfilling their duties as Directors of Britannia, Directors will be expected to act solely in the best interests of Britannia and the membership as a whole, even if this is not always in the best interests of the Member to which they are linked.
2. If any Director finds themselves in personal or professional circumstances which give rise to a potential or actual conflict of interest with Britannia, they must disclose the same to the Chairman immediately. If the conflict is sufficiently serious to impede the proper discharge of his/her duties as a Director of Britannia, they should resign forthwith, either on their own initiative or, if applicable, at the request of the Board.
3. If a Director has a conflict of interest in respect of any matter or claim either being or to be discussed by the Board or Sub-Committee, he/she shall declare such conflict and retire from the meeting (except to provide information, on request) and he/she shall not be entitled to vote on any such matter or claim.
