To all Members

WAR RISKS P&I COVER

Biological and Bio-Chemical Weapons

Members will recollect that in 2004 the International Group Clubs formed a new Pooling facility in order to provide limited cover for certain war and terrorist risks for which there would otherwise be no cover, as a consequence of most War Risk Hull and P&I policies containing a Bio-Chemical Exclusion. The risks covered through the Pooling facility are in respect of the Members' liability:

1. To pay damages, compensation or expenses in consequence of the personal injury to or illness or death of any seaman (including diversion expenses, repatriation and substitute expense and shipwreck unemployment indemnity); and
2. For the legal costs and expenses incurred solely for the purpose of avoiding or minimising any other P&I liability arising from a bio-chemical event (other than under Rule 19(21) Risks Incidental to Ship Owning).

The Pooling facility will be continued for owned entries (including a charter by demise or bareboat chartered entry) for the 2020/21 policy year and the limit of cover will be maintained at USD30 million in the aggregate each ship any one accident or occurrence or series thereof arising from any one event. Please note that this cover will not be available for chartered entries. The General Endorsement to owned Certificates of Entry giving effect to this extension of cover is attached.

4.2 In the event that there is more than one entry by any person for cover in respect of biological and bio-chemical weapons as provided herein in respect of the same Ship with the Association and/or any other insurer which participates in the Pooling Agreement or General Excess Loss Reinsurance Contract, the aggregate recovery in respect of all losses, liabilities, costs and expenses arising under such entries shall not exceed the amount stipulated in Clause 4.1 and the liability of the Association under each such entry shall be limited to such proportion of that amount as the claims arising under that entry bear to the aggregate of all such claims recoverable from the Association and any such other insurer.

5. Deductible

The deductible shall be the deductible applicable to the relevant cover set out in the Certificate of Entry.

6. Law and Practice

This clause shall be governed by and construed in accordance with the law of England and Wales and each party agrees to submit to the exclusive jurisdiction of the Courts of England and Wales.
