Dear Sirs,

Notice of the proposed transfer of the entire insurance and reinsurance business of The Britannia Steam Ship Insurance Association Limited ("Britannia") to The Britannia Steam Ship Insurance Association Europe m.a. ("Britannia Europe")

This notice has been sent to you as our records show that your company, or a company for whom you have acted as broker or representative, is the reinsurer under a reinsurance contract for the benefit of Britannia.

We are writing to provide you with important details in relation to the proposed transfer of the entire insurance and reinsurance business of Britannia, including all outwards reinsurance contracts, to Britannia Europe pursuant to a court-sanctioned insurance business transfer scheme under Part VII of the Financial Services and Markets Act 2000 (the "**Scheme**"); the Scheme requires the approval of the High Court of England & Wales (the "**Court**"). Britannia is working in close consultation with the Prudential Regulation Authority (the "**PRA**") and the Financial Conduct Authority (the "**FCA**") who are assessing the proposed transfer and will each provide reports to the Court. The process also requires the appointment of an independent expert to give his opinion on the likely impact of the proposed transfer. Simon Sheaf of Grant Thornton UK LLP (the "**Independent Expert**") has been appointed to act as the independent expert in respect of the Scheme and his appointment has been approved by PRA in consultation with the FCA. Mr Sheaf's overriding duty is to the Court, not to Britannia or Britannia Europe; he has prepared a report (the "**Scheme Report**") of his considerations and findings for the Court to consider.

If you are a broker, we are writing to you also to request that you pass on the information contained in this letter and in the documents enclosed with it to any reinsurer for whom you acted in respect of Britannia's reinsurance business.

Background to the Scheme

The proposed transfer forms part of Britannia's planning in response to the United Kingdom's exit from the European Union which took place on 31 January 2020. Its purpose is both to ensure that following the end of the transition period on 31 December 2020, existing EEA contracts of insurance and reinsurance can continue to be serviced and new EEA insurance business can be written and

to revert to a structure with a single insurer, so saving the operational, compliance and administrative costs of two insurers and enabling more efficient management of solvency capital requirements.

The Scheme

Under the Scheme, Britannia proposes to transfer its outwards reinsurance contracts, together with any related security arrangements or letter of credit facilities, to Britannia Europe, a mutual insurance association registered in Luxembourg and regulated by the Commissariat aux Assurances (the "CAA").

The proposed transfer is subject to necessary legal and regulatory approvals. The Court will only approve the proposed transfer if it considers it appropriate in all the circumstances. If approved, it is expected to take place initially on 20 February 2021, but will only complete in respect of the business administered by Britannia through its branches in Japan, Hong Kong and Singapore once Britannia Europe's corresponding branches in those jurisdictions have obtained all necessary authorisations and approvals.

The proposed transfer will have no impact on the rights of a reinsurer under the contracts of reinsurance issued to Britannia or the way such reinsurance contracts are administered. The only change to the reinsurance contracts issued by your company (or the company you act as broker or representative for) will be to substitute Britannia Europe as cedant in place of Britannia. Between the commencement and completion of the transfer, reinsurance contracts may be split between Britannia and Britannia Europe, however any contract will apply in the aggregate to Britannia and Britannia Europe, so that a reinsurer will be no better or worse off pending completion of the transfer. Following completion of the transfer, any claims or proceedings in connection with the transferred contracts of reinsurance shall be continued by or against Britannia Europe.

Further, as Britannia Europe is authorised and regulated by the CAA in Luxembourg, a European Union Member State, it is subject to a regulatory regime that implements the Solvency II Directive and is co-ordinated by the European Insurance and Occupational Pensions Authority. Britannia and Britannia Europe are therefore subject to equivalent regulatory regimes.

If you, or your representative, plan to attend the Court hearing, we would ask that you make us aware before make us aware as soon as possible and where possible no later than ten business days prior to the hearing, so that we can keep you of any changes to the hearing, such as time or date or venue.
