SECTION A DEVIATION AND OTHER EXCEPTIONS TO COVERAGE IN RESPECT OF CARGO (*ad hoc*)

1 Deviation from the Contractually Agreed Voyage

This insurance is to indemnify the Assured in respect of liabilities, losses, costs and expenses as would be covered by the Association under Rule 19.17 *Cargo*¹ but where, in the opinion of the Association, the Assured has prejudiced or may have prejudiced such coverage from the Association by virtue of the operation of Rule 19.17.8.2 and the deviation from the contractually agreed voyage detailed below:

1.2 Cover is extended to include the cost to the Assured of that proportion of general average expenditure (including salvage) and special charges which should be paid by cargo or by some other party to the maritime adventure, but which are not so paid after the exhaustion of all legal remedies against such parties solely by reason of a breach of the contract of carriage that is covered under this Clause 1.

¹ For the purposes of this Clause, where the Assured is insured under the Association's *Charterers' Liability Insurance* the reference to Rule 19.17 shall include reference to *Charterers' Liability Insurance* Clause 17 *Cargo*; and the reference to Rule 19.17.8.2 shall include reference to Clause 17.8.2 *Deviation*.

2 Discharge at a Port or Place other than that provided in Contract of Carriage

Unless the Board (or, in the case of claims not exceeding USD2,000,000, the Committee) shall, in its discretion, otherwise determine there shall be no contribution by the Association to liabilities, costs or expenses recoverable under any other insurance or which would have been so recoverable:

8.1.1 apart from any terms in such other insurance excluding or limiting liability on the ground of double insurance; and

8.2 Certification

Where the Assured has provided evidence of financial responsibility to any authority in respect of any liability, cost or

expense, or potential liability, cost or expense, by producing to that authority evidence of insurance other than evidence of insurance under the *Certificate of Insurance*, there shall be no contribution by the Association to the Assured or to any other person in respect of such liability, cost or expense.

9 Limitation of Liability

Subject to any special terms and conditions set out in the *Certificate of Insurance*, the Association insures the liability of the Assured as this liability may ultimately be determined and fixed by law, including any laws pertaining to limitation of liability. The Association shall in no circumstances be liable for any sum in excess of such legal liability.

10 Classification and Condition of Ships

Where cover under these Additional Insurances is afforded in relation to an Owner's entry in the Association, this Clause 10 shall continue to apply unless otherwise stated in the Certificate of Insurance; this shall include the interests of both the owner and/or the bareboat charterer, as applicable. This Clause 10 shall also apply to the interest of a disponent owner where the disponent owner similarly bears a responsibility for adherence to and maintenance of a Chartered Ship's classification and condition. However, this Clause 10 is disapplied where cover under these Additional Insurances is afforded in relation to an interest otherwise covered under the Association's Charterers' Liability Insurance.

Other references to classification, classification societies and condition of ship in these Additional Insurances Terms & Conditions should be construed accordingly as applicable.

Nevertheless, where this Clause is so disapplied, the Assured should exercise due diligence to ensure that a Ship taken on charter is seaworthy, remains in class and is suitable for its intended employment.

10.1 Classification

The Assured warrants that every Ship in respect of which application for insurance is made is and shall remain throughout the period of insurance classed with a classification society approved by the Managers and that throughout such period the Assured will fully and timely comply with all the rules, recommendations and requirements of such society relating to the insured Ship.

Provided always that:

10.1.1 the Board may in its discretion waive compliance with this warranty for such periods and on such terms as it thinks fit.

10.2 Change of Classification

Any change of classification or classification society shall forthwith be notified to the Managers in writing, together with all outstanding recommendations, requirements or restrictions specified by any classification society as at the date of such change.

10.3 Information from the Assured

Where required by the Managers it is a condition precedent to the Assured's right of recovery from the Association that the Assured shall first have provided to the Managers an assurance that the insured Ship's class has been maintained, as well as a list of recommendations, requirements or restrictions specified by any classification society and where any periodic docking survey or any special survey of hull, machinery or equipment is overdue, a statement as to whether or not an extension has been permitted by the classification society. If the Managers so require, such information shall be certified by the classification society.

10.4 Statutory Requirements

Every Assured

10.4.1 shall comply with all the statutory requirements of the state of the Ship's flag relating to the construction, adaptation, condition, fitment, equipment, manning and loading of the insured Ship; and

10.4.2 must at all times maintain the validity of any statutory certificates which are required and issued by or on behalf of the state of the Ship's flag.

10.4.3 PROVIDED ALWAYS THAT:

the Board may in its discretion waive compliance with this Clause for such periods and on such terms as it thinks fit.

10.5 Information from the Classification Society

Should the Association wish to approach the classification society directly for information, the Assured will provide the necessary authorisation.

10.6 Survey before Insurance

The Managers may as a condition of insurance of a Ship by the Association require the Assured or prospective Assured to submit the Ship to survey by a surveyor appointed by the Managers. The Managers in their discretion may require the Assured or prospective Assured to bear the expense of such survey. In the light of such survey the Managers may:

10.6.1 refuse the insurance of the Ship; or

10.6.2 refuse the insurance of the Ship until repairs or other action recommended by the surveyor have been carried out to the satisfaction of the Managers within any time limit prescribed by the Managers; or

10.6.3 agree to insure the Ship on such special terms as the Managers may in their discretion decide.

10.7 Ship Management Appraisal

Without prejudice to any warranties or other duties and obligations imposed on the Assured under the *Certificate of Insurance* or the general law, the Managers may at any time and from time to time require the Assured to undergo an appraisal of the management systems ashore or on board Ship relating to the operation of Ships managed or operated by the Assured by a surveyor appointed by the Managers on a date and at a place agreed between the Assured and the Managers and within such time limit as may be specified by the Managers. The Managers may in their discretion require the Assured to bear the expense of such appraisal or they may treat it as an expense reimbursable by the Association under Part I Clause 2 *Costs and Expenses, Sue and Labour*. In the light of such appraisal or in the event of failure by the Assured to undergo such appraisal within the time limit specified by the Managers, the Managers shall have the power, in their discretion to:

10.7.1 terminate the insurance of all Ships insured by the Association; or

10.7.2 amend, vary or impose special terms on the terms of the insurance of that Assured with immediate effect in such manner as they think fit, including the exclusion of all or part of the risks specified in the *Certificate of Insurance* for such time or period as they may specify.

Provided always that:

10.7.2.1 if the Assured does not accept such amendment, variation or condition the Assured shall have the option of terminating the insurance of the Assured's Ships forthwith.

10.8 Condition Survey

Without prejudice to any warranties or other duties and obligations imposed on the Assured under the *Certificate of Insurance* or the general law, the Managers may at any time and from time to time require the Assured to submit the insured Ship to survey by a surveyor appointed by the Managers on a date and at a place agreed between the Assured and the Managers and within such time limit as may be specified by the Managers. The Managers may in their discretion require the Assured to bear the expense of such survey or they may treat it as an expense reimbursable by the Association under Part I Clause 2 *Costs and Expenses, Sue and Labour*.

In the light of such survey or in the event of failure by the Assured to submit the insured Ship to such survey within the time limit specified by the Managers, the Managers shall have the power, in their discretion, to:

10.8.1 terminate the insurance of the Ship forthwith; or

10.8.2 amend, vary or impose special terms on the insurance of the Ship with immediate effect in such manner as they think fit, including the exclusion of all or part of the risks specified in the *Certificate of Insurance* for such time or period as they may specify.

Provided always that:

10.8.2.1 if the Assured does not accept such amendment, variation or condition the Assured shall have the option of terminating the insurance of the Assured's Ship forthwith.

10.9 Not applicable

10.10 Right of Adjudication

If any difference or dispute between the Assured and the Managers shall arise concerning the actions taken by the Managers under this Clause 10, the Assured shall have the right to refer the matter to adjudication by the Board under Part VI Clause 21 *Disputes and Differences*. Pending such adjudication, any such action taken by the Managers shall bind the Assured.

10.11 Obligation of Assured

Notwithstanding the provisions of this Clause 10 nothing shall relieve the Assured of the Assured's obligation to keep the Assured's insured Ship at all times in a proper condition. Any recommendations or observations of a surveyor acting under any part of this Clause shall be treated as within the actual knowledge of the Assured. Any failure by the Assured to implement the said recommendations shall entitle the Board (or, in the case of claims not exceeding USD2,000,000, the Committee) in its discretion to refuse, in whole or in part, a claim for recovery from the Association in respect of any incident whatsoever occurring after such recommendations have been made.

11 Byelaws

11.1 Power to Pass Byelaws

The Board shall have power to pass byelaws ordering and prescribing the conditions and/or the form of contracts of carriage generally, or for use in any particular trade, or for any particular port or place.

11.2 Recommendations

The Board may also recommend the use of any particular form of contract of carriage in any particular trade. Assureds whose Ships are engaged in such trades shall endeavour to use the appropriate form of contract of carriage when the circumstances of the fixture or engagement of such Ships permit.

11.3 Notice

Notice shall be sent by the Managers to all Assureds upon the passing of any such byelaw or issue of such recommendation. The byelaw or recommendation shall come into operation on the date stated in the notice and shall thereupon be assumed to be incorporated in the *Certificate of Insurance* and shall be included in, or with, every copy of these *Additional Insurances Terms & Conditions* issued by the Association as soon as may be conveniently possible. If the Assured shall commit a breach of such byelaw the Board (or, in the case of claims not exceeding USD2,000,000, the Committee) may reject or reduce any claim made by the Assured to the extent to which it would not have arisen if the Assured had complied with the byelaw and the burden of proving in each case that the claim (or portion thereof) could not have been avoided by such a compliance shall be on the Assured. The Board (or, in the case of claims not exceeding USD2,000,000, the Committee) may further impose such terms upon the Assured as it may think fit as a condition of the continuance of the insurance of the Assured's Ship or Ships.

Part V Claims

1 Obligation of the Assured in respect of Claims

1.1 Notice

Every Assured shall be bound to give prompt notice in writing to the Managers of every incident likely to give rise to a claim under the *Certificate of Insurance* and of any legal or arbitration proceedings commenced against the Assured. The Assured shall furnish the Managers as soon as reasonably possible thereafter with all documents or information relevant thereto.

1.2 Mitigation of Loss

Upon the occurrence of any incident which may give rise to a claim under the *Certificate of Insurance*, the Assured shall take such steps as at the time shall appear proper for the purpose of averting or minimising any loss, damage, expense or liability in respect of which the Assured may be insured under the *Certificate of Insurance*.

1.3 Information

The Assured must at all times promptly notify the Managers of any information, documents or reports in the Assured's or the Assured's agents' possession or knowledge relevant to any incident referred to under Clause 1 *Notice* above. Further the Assured shall, whenever so requested by the Managers, give the Association or its representatives free access to such information, documents or reports with liberty to inspect and copy the same. Such free access shall include the right to conduct a survey, or to interview any officer, servant or agent of the Assured who may in the opinion of the Association be in possession of information relevant to the said incident.

1.4 Time Limit for Notice

Every claim against the Assured in respect of an incident referred to in Clause 1.1 *Notice* above, shall be notified to the Association as soon as possible, but in no case later than 12 months after the Assured has received notice that the claim is being, or may be, made against the Assured in respect of such incident. The Assured shall give notice to the Association in writing of the commencement of any legal or arbitration proceedings against the Assured as soon as possible, but in no case later than 30 days after the Assured has received service of the said proceedings.

1.5 Time Limit for Reimbursement

All requests by the Assured for reimbursement of any losses, costs or expenses recoverable from the Association under the *Certificate of Insurance* must be made to the Association within 12 months of the incurring of the loss or the payment of the cost or expense by the Assured.

2 Powers of the Managers relating to the Handling and Settlement of Claims

2.1 Control of Claims

The Managers shall have the right, if they so decide, to control or direct the conduct of any claim or legal or other proceedings relating to any matter which may result in loss, damage, expense or liability in respect of which the Assured is or may be insured under the *Certificate of Insurance* and to require the Assured to settle, compromise or otherwise dispose of such claim or proceedings in such manner and on such terms as the Managers see fit.

2.2 Refusal to follow Requirements of Managers

If the Assured does not settle, compromise or dispose of a claim or proceedings in accordance with the requirements of the Managers under Clause 2.1 *Control of Claims*, any eventual recovery by the Assured in respect of such claim or proceedings from the Association shall be limited to the amount the Assured would have recovered if the Assured had acted as required by the Managers.

2.3 Abandonment

In the event of an insured Ship becoming an actual or constructive total loss, the Association shall, subject to the hull insurers' rights in the matter, be entitled to request the Assured concerned to abandon the Ship to the Association or to such other person (including the world at large) as the Association shall nominate. If the Assured concerned does not abandon the Ship having received such a request from the Association, the Association shall not be responsible for any claim that could have been avoided had the Assured abandoned the Ship as aforesaid, and the burden of proving that the claim could not have been avoided by such abandonment shall be upon the Assured.

2.4 Appointment of Experts

- 2.4.1 Without prejudice to any other provision of the *Certificate of Insurance* and without waiving any of the Association's rights hereunder, the Managers may at any and all times appoint on behalf of the Assured, on such terms as the Managers may think fit, lawyers, surveyors or other persons with a view to advising the Managers on investigating or dealing with any matter which may result in loss, damage, expense or liability in respect of which the Assured is or may be insured under the *Certificate of Insurance*, including taking or defending legal or other proceedings in connection therewith. The Managers may also at any time discontinue such employment if they think fit.
- 2.4.2 All lawyers, surveyors or other persons appointed by the Managers on behalf of the Assured, or appointed by the Assured with the prior consent of the Managers, shall at all times be and be deemed to be appointed and employed on the terms:
- 2.4.2.1 that they have been instructed by the Assured at all times (both while so acting and after having retired from the matter) to give advice and to report to the Association in connection with the matter without prior reference to the Assured and to produce to the Association without prior reference to the Assured any documents or information in their possession or power relating to such matter, all as if such person had been appointed to act and had at all times been acting on behalf of the Association;
- 2.4.2.2 that any advice they may give to the Assured is that of an independent contractor employed by the Assured and shall in no way bind the Association.

2.5 Bail

- 2.5.1 The Association is under no obligation to provide bail or other security on behalf of any Assured, but where the same is provided it shall be on such terms as the Managers may consider appropriate and shall not constitute any admission of liability by the Association for the claim in respect of which the bail or other security is given. In no case shall cash deposits be made by the Association.
- 2.5.2 It shall be a condition of the provision of bail or other security on behalf of the Assured, that the Assured shall indemnify the Association for any costs associated with the provision of such bail or other security and for any liability the Association may incur to a third party under or in connection with such bail or other security.
- Provided always that:
- 2.5.2.1 the indemnity shall not extend to those amounts that the Assured would have been entitled to recover from the Association under the *Certificate of Insurance* had the Assured paid them directly.

2.6 Recovery of Costs

Insofar as costs are covered under the *Certificate of Insurance*, the Association shall be entitled to any sum which the Assured recovers in respect of such costs pursuant to any award, judgment or settlement agreement. If any claims, disputes or proceedings are settled or compromised for a lump sum which includes costs recoverable from any other party, or without any or adequate provision as to the payment of such costs, then in any of those events the Association shall be entitled to recover from the Assured such reasonable sum as the Managers may in their sole discretion determine as being attributable to costs.

3.1 Agreement of Claims

The Board (or, in the case of claims not exceeding USD2,000,000, the Committee) shall meet as often as may be required for settlement of claims which shall be paid by the Association as the Board (or, in the case of claims not exceeding USD2,000,000, the Committee) may determine in accordance with the *Certificate of Insurance*, but the Board (or, in the case of claims not exceeding USD2,000,000, the Committee) shall have power from time to time to authorise the Managers to effect payment of claims without prior reference to the Board (or, in the case of claims not exceeding USD2,000,000, the Committee). The Assured shall not participate in any meeting of the Board or Committee while it is engaged in the settlement of any claim in which the Assured is interested.

Without prejudice to any other provisions of the *Certificate of Insurance* the Board (or, in the case of claims not exceeding USD2,000,000, the Committee) shall have power in its discretion to reject a claim or reduce the sum payable by the Association in respect thereof, if:

- 3.2.1 in the opinion of the Board (or, in the case of claims not exceeding USD2,000,000, the Committee) the Assured making the claim has not taken such steps before, at the time of, or after the incident or events giving rise to the claim, to protect the Assured's interests as the Assured should have done or as the Assured would have done if the Assured had not been insured;
- 3.2.2 the Ship in respect of which the claim is submitted has ceased before the incident which gave rise to the claim to be fully classed by a classification society approved by the Managers or if the Assured has failed fully and timely to comply with all the rules, recommendations and requirements of such society and the Assured has failed to give notice of this cesser or failure to the Managers;
- 3.2.3 the Assured has failed fully to comply with the recommendations of a surveyor appointed by the Managers under Part IV Clause 10 *Classification and Condition of Ships*;
- 3.2.4 the claim shall have been settled, or any liability shall have been admitted, by or on behalf of, the Assured without the prior consent in writing of the Managers;
- 3.2.5 the Assured failed to comply with a recommendation or directive made at any time by the Board, the Committee or the Managers to the Assured, in connection with the handling or settlement of the claim or potential claim;
